Scope

- Sending messages to a group chat
  - emojis / stickers / gifs
- User accounts
  - Private messages
  - Ability to create group chats
  - Profile customization
  - Blocking other users
- Notifications

Users Stories

As a user,
I want to be able to log in to my account
So I can see my private messages

As a user,
I want to be able to send media,
So that I can share memes with my friends

As a sociable person,
I want to be able to join chat groups
So that I can interact with people with similar interests

As a user
I want to mute or block other users
So I can avoid unwanted interactions

As a user
I want to use emojis
So I can quickly express my thoughts or feelings

As a user
I want to edit my profile information
So I can personalize my presence

As an avid chatter
I want to be sent notifications when I receive messages
So that I can keep up conversations with my friends and family

As a user
I want to make categories for chatlogs
So I can keep things organized

As a parent
I want to make sure that my child cannot access 18+ groupchats
So that I can keep them safe from potentially harmful content

As a user,
I want to be able to customize my chat background,
So that I can use both dark and light modes
