

Sprint 5

April 9

Agenda:

- Go over tasks that carried over from last sprint
- Make sure everyone has work to do
- Nitpicks
- Concerns regarding the next sprint
 - Major presentations
 - Exams
 - Personal

Attendance:

Ty, Amy, Gavin, Courtney, Caleb

Note Keeper:

Amy

Notes:

- Some minor issues between mobile and web sync
 - Chat icons
 - Group chat population
- Minor issue with backend
- Previously mentioned age verification in sign up for mobile
- We got some tasks moved around to balance workload
- Someone has an exam but shouldn't impact work

April 13

Agenda:

- Reminders to keep jira tasks updated
- Progress report
 - Are we on track to present work a week from tomorrow
 - Are task difficulties what we expecting or have they changed
- Any blockages encountered thus far
 - Anything that is preventing progress?
 - Any extra stress?
- New APK for me to play with yet?

Attendance:

Ty, Amy, Itzy, Courtney, Caleb

Note Taker:

Caleb

Notes:

- Progress is running smoothly
- There are some events happening later this week that will cause some blocks in progress
- Yay, new apk to play with
- Work is going smoothly and progressing as expected
- Some suggestions for tweaking ZAID bot personality...
- Need scrum master appreciation
- Gavin will be getting a one on one meeting to check on progress
- Future item:
 - Ability to see members of a group chat

April 16

Agenda:

- Are we all doing ok after the weather events
- Are there items that won't be done in time
- Reminder to start filling out the templates
- Random findings
 - Scroll wheel cut off for profile personalization page (web)
 - ZAID bot messages show up at anonymous and no profile pic (web)
- Next sprint

Attendance:

Ty, Amy, Gavin, Itzy, Courtney, Caleb

Note Taker:

Itzy

Notes:

- Yay, ZAID has a personality.....might be a little too much
- A couple of bugs noticed needing refactoring for next sprint to clean things up

April 20

Agenda:

- Hey, reminder of tasks
 - Are they all getting done in time
 - Are we going to have to move some things to next sprint
- Reminder to fill out templates
- Go over tasks for final sprint

Attendance:

Ty, Amy, Gavin, Itzy, Courtney, Caleb

Note Taker:

Gavin

Notes:

- Lots to get done
- Everything will be done in time
- We have a lot of refactoring for the next sprint
- Some nitpicks were discovered
